Thanks. Will discuss it again during the wedding. In the meantime try to talk to Danny Yatom former head of Mossad and CoS to me. He runs a security co. which might help in promoting it. I've told him about your co.

While it has taken time for Nowforce.com to build a strong and sustainable platform, the business if finally at a stage where it is ready to significantly accelerate its growth and take advantage of the very real global opportunity that exists for our solution. With your assistance this growth would only be that much stronger.
